CREATIVE STORYTELLERS

is the publishing division of Progeny, Inc., a registered U.S. 501(C)3 children's charity dedicated to the rescue, safety, treatment, and rehabilitation of exploited and endangered children worldwide? ALL profits from our publishing ventures are devoted to PROGENY.

Publisher's Note:

We consider the publishing of this book to be a great privilege because its message, and the underlying principles of its author, Professor William J. Havlicek (as well as those of the inimitable Vincent), remind us that kindness, compassion, and generosity of spirit—together with action—will always enable us to overcome the moral and ethical dilemmas of our time. Your purchase of any one of our books means that you, too, are playing a significant part in giving just one lost child a real chance for recovery, a normal life, and the opportunities they deserve. Thank you!

Consider giving this book to someone, or telling a friend...and help further our support for exploited and endangered children.
